

The DCCHS Marching Wolverines will be doing a Show Preview Thursday evening, August 12, at 6pm in the Magic Morgan Stadium. All are invited to come hear a peak at what is to come. The band will then march out of the stadium for a senior surprise followed by the traditional epic water slide and fire truck fun! Prior to the performance the band will have regular rehearsal and will then be served pizza during their brief break. Students please remember to bring a towel and change of clothes. We will be finished at 8pm. Please have a ride ready. We cannot wait to see everyone then!
